Dear Dr. Li,

The editors of *Research Policy* are delighted to inform you that your paper, **Co-authorship networks and research impact: A social capital perspective**, published in 2013 is one of the most highly cited papers during 2014, 2015 and up until June 2016. We would like to take this opportunity to thank you for publishing with us and to congratulate you.

We have designed a certificate that acknowledges your achievement. [<View your certificate here>](#). Wherever relevant, we will promote your achievement on our social media pages. Of course, we would like to encourage you to share your certificate to highlight your own work via your own social media pages, your website or in other appropriate ways. We would like to thank you for submitting your work to the journal, and hope that you will consider *Research Policy* for the publication of further high quality research.

[View your certificate](#)

Kind regards,

Vicki Wetherell
Publisher of *Research Policy*

P.S. Scopus Article Metrics module gives a comprehensive view of an article's impact. Evaluate the influence and reach of any Scopus article, using a broad basket of both traditional (citation counts) and alternative metrics (eg. social media activity, mass media mentions), for reporting and further research. [View your article metrics here >>>>](#).
